Jetta
2012
With the 2012 Jetta, innovation comes at a price. Good thing that it’s a positively affordable one. Looking at its fluid lines and well-thought-out interior (the best-in-class rear leg room* took some serious thinking), you might not believe the price tag. Take a Jetta for a test drive, and you really won’t believe it.

*Based on a comparison of other 2011 and 2012 models available at the time of publication, in the compact sedan class.
When you build a great car, everyone should be able to enjoy it. When you integrate dozens of standard safety features, like 6 airbags and Intelligent Crash Response System (ICRS), everybody will be protected. When you develop intuitive and ergonomically aligned controls, everyone should be able to use them. Basically, when we designed the 2012 Jetta, we had everyone in mind.

Yes, it’s a Jetta. Yes, it’s affordable.
17" alloy wheels*  
Careful, though – you might not be able to look away.

KESSY keyless access with start and stop button*  
Unbelievably convenient – start your car without ever having to take your key out of your purse or your pocket.

Bluetooth ® mobile phone connectivity with voice activation*  
Say hello to hands-free freedom. Bluetooth ® with voice command gives you seamless phonebook access, music streaming and, of course, voice calling.

Available Fender ® premium audio system  
The best seat in the house is inside your Jetta with the available 400-watt Fender ® premium audio system. It's time to take the show on the road.

Media Device Interface (MDI) with iPod® connectivity*  
Take all of your tunes with you. Just plug in the MDI with iPod ® adapter to easily access all of your music via the in-dash touch screen.

Premium 8 touch-screen radio*  
So much fun right at your fingertips – literally. This touch-screen unit, with 6-disc CD changer, SIRIUS ® Satellite Radio and 6 powerful speakers, gives you all the music you could possibly want, in one sleek, powerful package.

More rear leg room  
There's more than three feet (96.7 cm) in total. It's not only the most in its class, it's more than many larger sedans as well.**

Available RNS 315 navigation system  
This rarely-seen-in-this-class feature will get you wherever you're going and back home again, without a single "I think it's a left?"

Best-in-class rear cargo space** with available pass-through  
15.5 cubic feet (0.44 m 3) of trunk space gets even bigger when you fold down the 60/40 split rear seats or use the convenient rear-centre armrest pass-through.
Fuel consumption figures are estimates based on Natural Resources Canada’s approved criteria and testing methods. See fuel consumption warranties.

TDI Clean Diesel – Simply put, it’s the new way of driving diesel. We’re very proud of our diesel technology, which reduces emissions to extremely low levels and gives you outstanding fuel economy as well as exhilarating torque. TDI with just about any Jetta or Golf. Think Blue.

A warm engine – a cool way to save. Your engine uses the most fuel when cold. So if you’re always driving short distances, you’re not optimizing usage. If possible, try combining shorter trips. You’ll consume less fuel and save more money. Just one way that we can all Think Blue.

Think Blue.
