

The 2020 Jetta

An urban legend that's real

The Jetta's turbocharged 1.4 TSI engine gives you plenty of power and boasts an impressive 5.9 L/100 km highway fuel consumption rating.[†] The refined interior has a ton of slick new technology, like the available BeatsAudio® sound system and standard App-Connect smartphone integration. Fasten your seat belt and get ready for the joyride of your life!

Top features

Available Rail 2 Rail power sunroof

The Jetta's available Rail 2 Rail power sunroof spans from roof to windshield and, of course, rail to rail. Here comes the sun!

LED lights

The Jetta is equipped with standard LED headlights, tail lights and daytime running lights. They light up the night, and they look like a million bucks.

Available Digital Cockpit*

The Volkswagen Digital Cockpit is an intuitive, customizable 10.25" digital display that lets you tailor your display to your distinct driving needs. If it sounds pretty cool, that's because it is!

Available ambient interior lighting

Colour is scientifically proven to affect your mood. With ambient interior lighting in the Jetta, you can enhance the joy of every drive, with 10 different colours to choose from.

Available ventilated front seats

The Jetta will keep you feeling calm and confident. The cool part? Leave that to the ventilated front seats – they've got your back, literally!

*Do not drive distracted. Drivers must pay full attention to the road and safe driving at all times.

The safe side

The Jetta comes loaded with a ton of standard and available features to help keep you safe behind the wheel, including standard LED headlights and tail lights, and available driver assistance features, like Adaptive Cruise Control with Stop & Go, Blind Spot Detection, Lane Assist and Light Assist.[‡]

[‡]Driver assistance features. Drivers must continue to perform manual checks and pay full attention to the road and safe driving. Please review the owner's manual for feature limitations.

[†]City rating is 7.8 L/100 km for automatic transmission and 7.9 L/100km for manual transmission. Fuel consumption ratings are estimates based on Natural Resources Canada's (NRCAN) fuel consumption criteria and approved testing methods and are provided for comparison purposes only. Please refer to NRCAN's Fuel Consumption Guide for more information. Actual fuel consumption will vary based on driving conditions, driver habits and the vehicle's condition, weight carried and additional equipment.
